

AHA BLS, ACLS, and PALS Recertification Opportunity

American Heart Association (AHA) BLS, ACLS, and PALS recertification opportunity for required nursing staff is available at UCSF Health via Nursing Connect.

How does it work?

- Log into [Nursing Connect](#), search for: “**CPR**” or “**Heartcode**”, and enroll in either BLS, ACLS, or PALS (Direct link: <https://tinyurl.com/UCSFCPR>)
- Complete the self-paced e-Learning
 - BLS (around 2 hours)
 - ACLS (around 6 hours)
 - PALS (around 6 hours)
- **Upon completion of the in-person skills returned demonstration at a UCSF Health location is REQUIRED to complete your certification**
- UCSF in-person skills returned demonstration locations:
 - The Embarcadero
2001 The Embarcadero, San Francisco, 1st Floor, Room 191
(Monday-Friday, 0830-1500)
 - Mission Bay Adult Hospital
1855 4th Street, 6th Floor, Room A6510
(Door Code: 236510)
 - Mount Zion Hospital
1600 Divisadero St, 6th Floor, Room A633
(Door Code: 023633)

NOTE: UCSF Health AHA CPR recertification opportunities are not interchangeable with Safety Training Seminars (STS) courses. If starting a course in Nursing Connect, you must complete the training at an identified UCSF Health location.
